ABOUT ME

Self-taught Artist with 20 years of experience as a photographer. I have presented my pictures in two different competitions winning first place in both occasions. Also Photo-shoot for graduate students not able to afford pictures at no cost. Volunteer photographer for a nonprofit donating the pictures. Volunteer photographer for soldiers of the United States Army at no cost. In addition, I became a self taught graphic designer with 2 years of experience for the San Antonio Museum of Science and Technology. I have also volunteer on, designing a logo for a company at no cost to support their work.
