TONIGHT! Where are all of our Punk Rock & Riot

Embed View on Twitter

[Iggy Pop plugs Fea in ROLLING STONE](#) "I like Fea, out of San Antone - a girl band, pretty raunchy, extreme packaging and all that, and that's a good punk band."

"Tragedias" named one of NPR's Top 100 Songs of Year

Check out the [NPR feature 'There Are No Rules: Fea Talks Latina Punk'](#) with special guest Lori Barbero.

Punknews.org gives the record 4.5/5 stars saying it's "a pitch perfect a revival of the riot grrrl genre with a new spin for a new generation." See the full review [here](#).

Bitch Magazine praises Fea's new album calling it "relevant and timeless," see the feature [HERE!](#)

Fea's debut album is available NOW! Find it on [iTunes](#), [Amazon](#) and In Stores!

[OUT MAGAZINE](#) premieres behind-the-scenes video of Fea in the studio with Laura Jane Grace!

[Remezcla](#) mentions Fea among their '7 Queer Latinx Punk Icons You Should Know'!

According to [SPIN!](#), FEA single-handedly swung the election with their 'Feminazi' music video.

Bust Magazine just called Mujer Moderna the next "feminist anthem you won't be able to stop singing." Check out the rest of the article [here](#).

Get the vinyl EP on [Amazon](#)

Fea debuts their first music video "Mujer Moderna!" Read about it [HERE](#)
