

PRISCILLA DITTA

VISUAL ARTIST

OBJECTIVE

I have experience in visual arts and photography. I am applying for the opportunity to produce impactful works of art that reflect natural sceneries of San Antonio.

EXPERIENCE

Freelance Artist 2010-Present

Created commissioned artwork for private clients.
Participated in art exhibitions and shows.
Assisted with the installation and deinstallation of art exhibitions.

Freelance Landscape Photographer 2015-Present

Capture landscapes and urban sites.
Research the main and underlying features/landmarks of various parks along with it's plants.

SKILLS

Proficient in various art mediums, including painting and drawing.
Skilled in using digital art software such as Adobe Photoshop.
Ability to work independently.
Strong attention to detail and a keen eye for capturing nature.
Remodel home interiors with art & décor.
Retail visual merchandiser.

RELEVANT PROJECT

Participated in a mid-century home remodel.
The project inspired one of my focuses on Audrey Hepburn and other celebrities that captured that time.
The opportunity led to a free space to display those pieces of art.
