BIO

Favour Abel is a Nigerian-American rapper, singer, songwriter, composer, and record producer. Born with the conviction to rebel against society, Favour Abel is one of the newest, awe-inspiring musicians you must keep your eyes on. His ability to captivate his audience with his performance through the use of emotionally impacted production and live instrument playing, gives the rap industry a new vision beyond that of the modern age mixed with a relic of the past, as well as a blend of a new beam of light for others to focus on.
