

PUBLIC ART 2022

NATIVE STATE SYMBOL

Mural Painting in Covington, Louisiana.
The artwork advocates for local pollinators
to become state symbols. Beetles are the
real pollinators of magnolia flowers.

PUBLIC ART 2006

THE SIMPLE LIFE

Environmental commission award, Melbourne, Australia.

The local government-sponsored the creation of a monumental sculpture powered by solar energy motivated citizens to reflect on the relationship between the natural and urban environments.relationship between the natural and urban environments.

PUBLIC ART 2012

¿Y TÚ A QUÉ LE DAS EL AVIÓN?

In collaboration with the department of public safety, high-risk spots in the city were intervened to create a space for community dialogue.
