ANXIETY ONLINE (A0:)

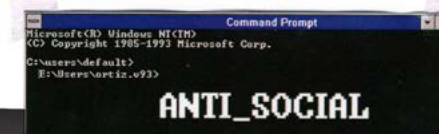

THE STORY

Anxiety online brings together the world of vaporwave and fashion. Young lean and sad boys influenced what I would imagine the world of a male version of myself obsessed with internet subcultures would look like in garment form. Arizona iced tea, computer graphics, geometric silhouettes, memes and 80s inspired garments all reference vaporwave and merge to create the collection. I imagined what it would be like to be a boy in my current social situation and narrowed my feelings down to 4 keywords: geek, anti-social, digital and geometrical.

[illegible]

and you'll be sad all the time"
