Film, Television and Video - Producer / Writer / Actor

Experienced Production Management, Film Festival Director and

Filmmaking Consulting

The industry has graciously honored my work with an Emmy, 40+ film festival awards, and countless accolades for my accomplishments, professionalism and integrity. I am grateful, but it took a team to do so, and now I want to be a part of your team.

As a producer I bring vast and varied experiences in television, film and corporate video production to your project or company. Whether leading teams, or following directions through every aspect of production, including LIVE broadcasting / streaming, I will help deliver a quality product. The quality expected of every project and demanded by every client.

Meeting the challenges of each day, each production, learning and developing viable solutions, delivering quality results to a wide range of clients and audiences, those are goals I strive to reach from concept to delivery on every project.
