

Lynn Maverick Denzer

ARTIST, EDUCATOR

AREAS OF INTEREST

- Fundamentals of drawing and design, drawing as a finished product & drawing as a plan for painting.
- Watercolor painting: exercises of techniques, design elements & finished compositions.
- Acrylic painting: exercises of techniques, design elements & finished compositions.
- Some examples of elements to explore: good composition, shading and lighting, rendering real and created texture, knowing the science of the color wheel and how to create a myriad of choices in hue and value.
- Other possibilities: knowing different styles, like Realism, Impressionism, Pointillism, Abstracts, cubism, etc.
