👤 PROFILE

Passionate about creating meaningful, vibrant pieces of art that amplify our communities. As a public artist, I uplift spaces and create dialogue for future residents. Furthermore, my years of experience working with the Non profit organization San Anto Cultural Arts has helped me gain knowledge on how community-based arts can help foster the development of our communities through muralism.

📁 EMPLOYMENT HISTORY

" The Spirit Within" at City of San Antonio , San Anto Cultural Arts, San Antonio

May 2022 — April 2023

Co-lead artist collaboration with Hailey Marmalejo to produce a 55ft x 18 ft wall on poly tab material to be installed on Market Square Wall. Marmalejo and I co-designed artwork with the input and participation of the community. Due to ongoing construction mural was painted off-site and later installed on the wall with the help of experts.

The mural honors woman from the past and present who have worked in the Market Square while adding vibrant patterns and colors that represent the city's cultural diversity.

"Together" at S.M.A.R.T , San Antonio

March 2023 — March 2023

Mural created for the Non-Profit organization S.M.A.R.T that advocates for children's arts education. The mural was painted in the entryway to the gallery the kids go through. I wanted to make it relatable, so I painted two children's faces looking down into the space with the quote, "Let's Put Our Heads Together and Dream the Same Dream.
