6 MONTHS LATER..

IT'S 'BOUT TIME YOU FIXED THIS DAMN PLANE, COULD BARELY FLY HER WITHOUT WORRYIN' ABOUT FALLING ABOUT OF THE GOD DAMN SKY.

WARPATH

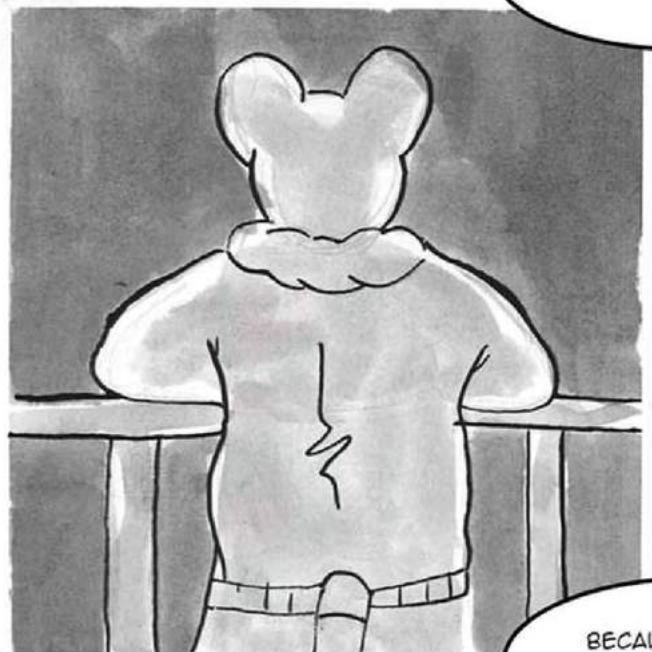

AFTER THE WAR STARTED,
MY BROTHER AND I
STARTED TO DRIFT APART.

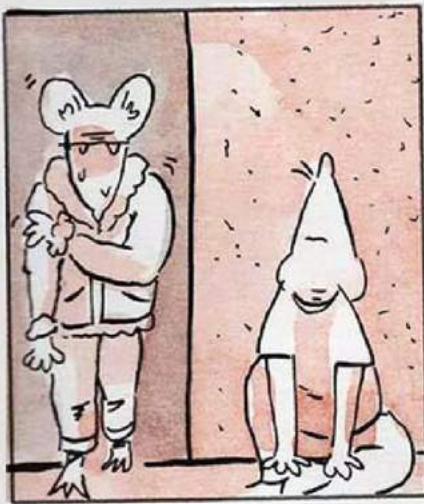

A RELAXING DRINK OR
SMOKE BECAME
ESSENTIAL TO GETTING
BY DAY BY DAY.

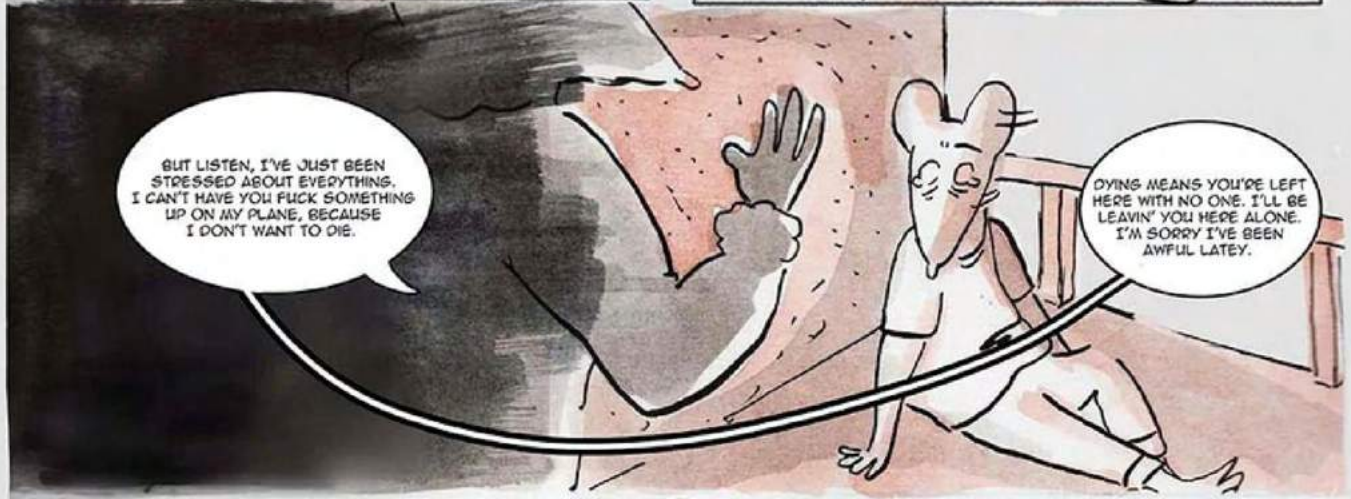

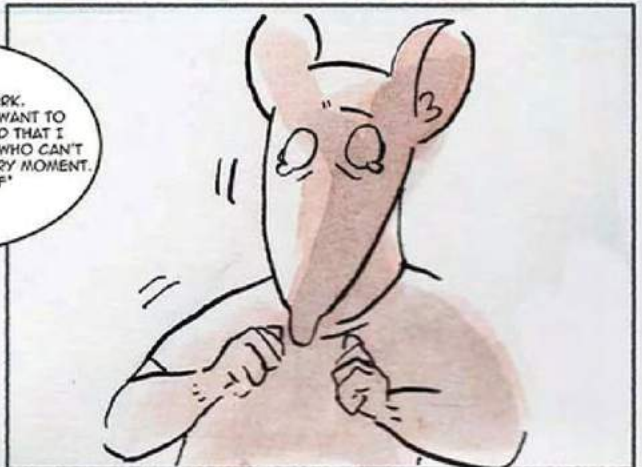

EVERYDAY WE WAIT UNTIL
THIS CRAZY WAR STOPS..

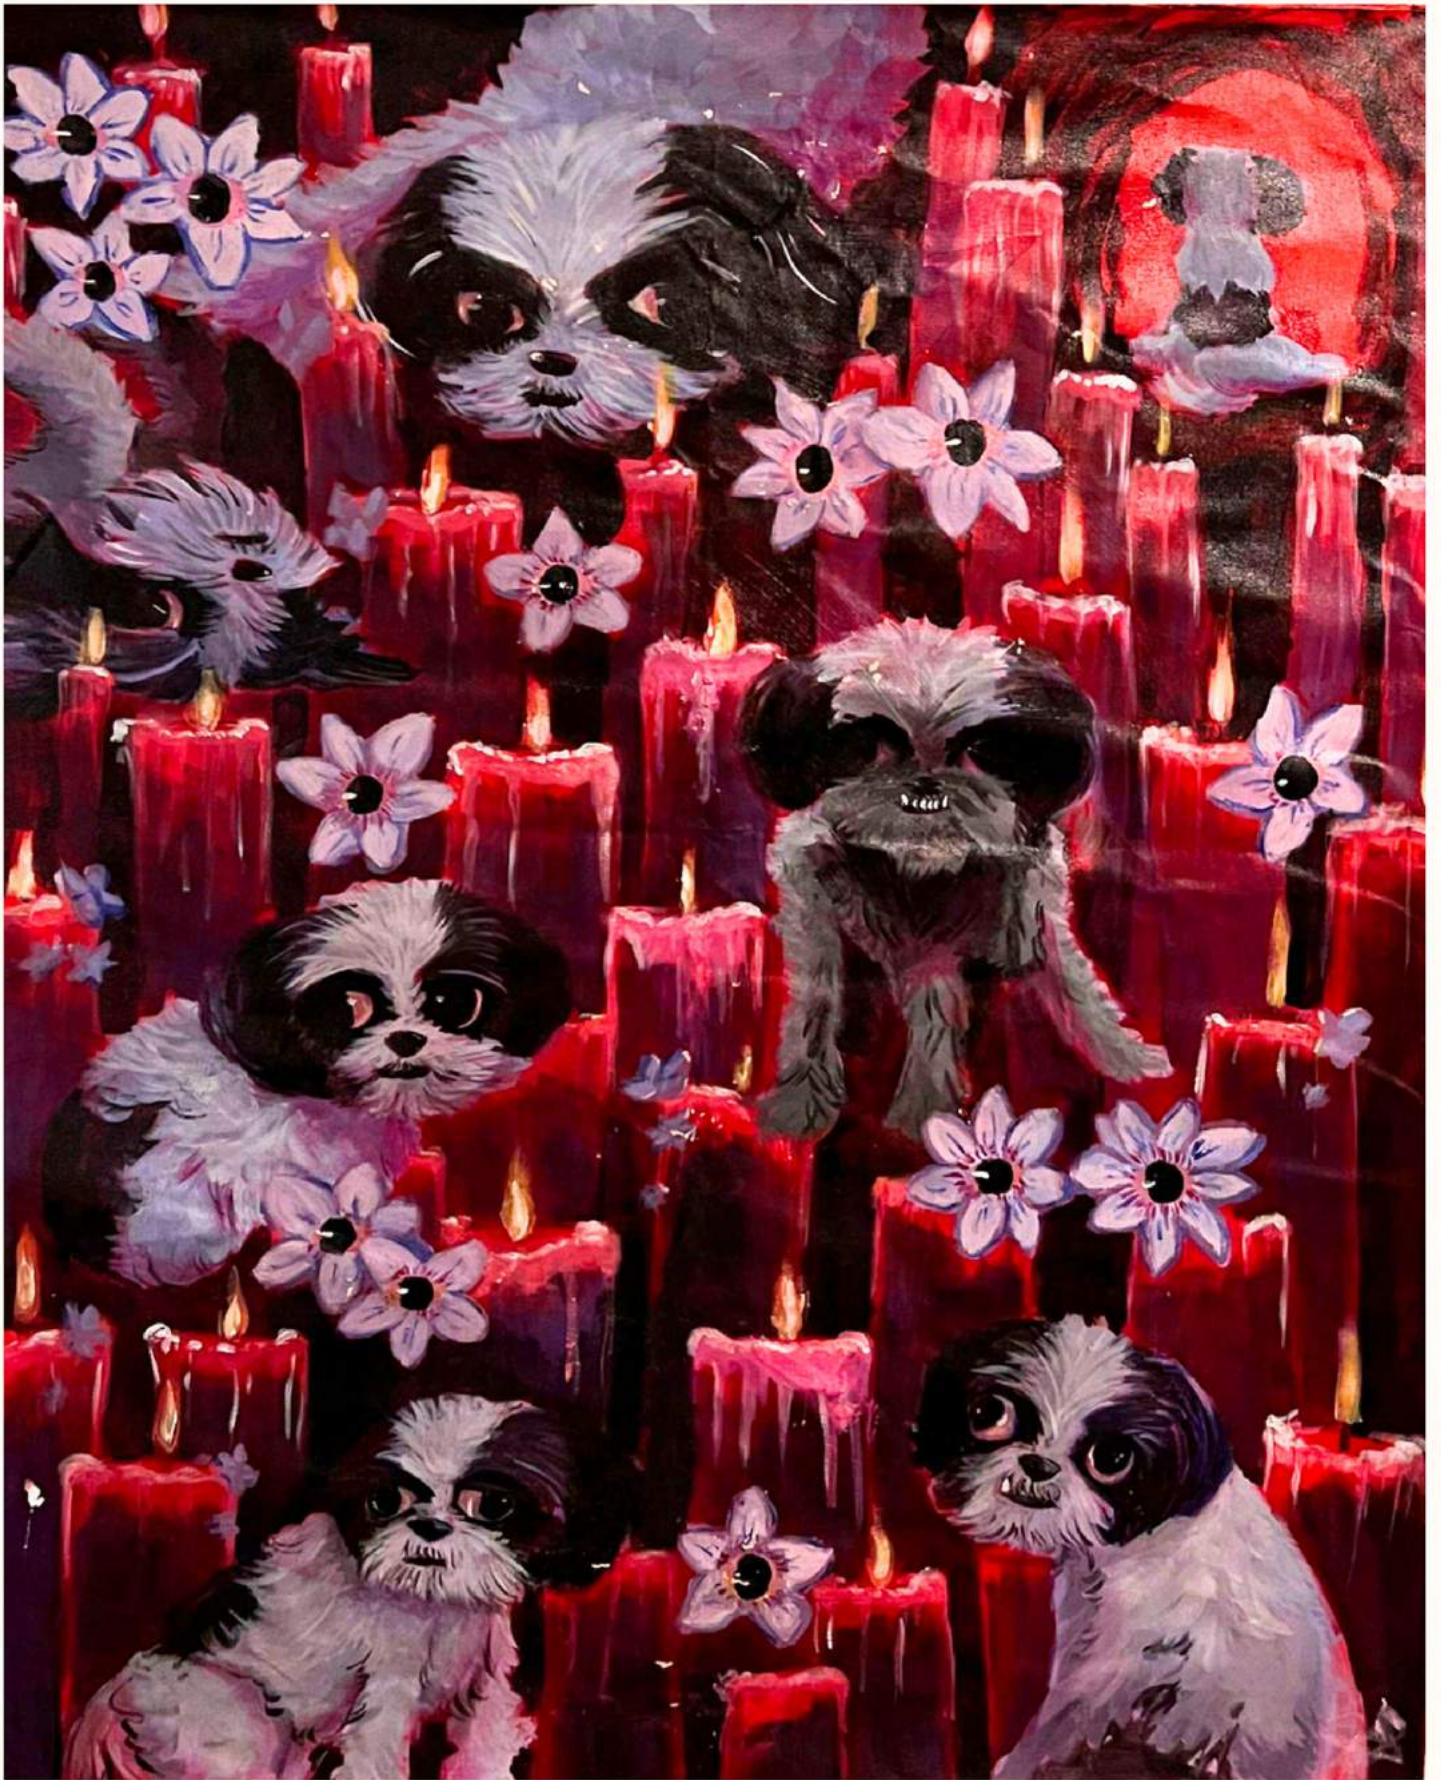

BECAUSE I MISS
MY BROTHER AND
I MISS MY LIFE.

A COMPLETE JERK. I KNOW YOU DON'T WANT TO TALK RIGHT NOW AND THAT I SEEM LIKE SOMEONE WHO CAN'T CHANGE WITHIN THIS VERY MOMENT. *SNIFF* *SNIFF*

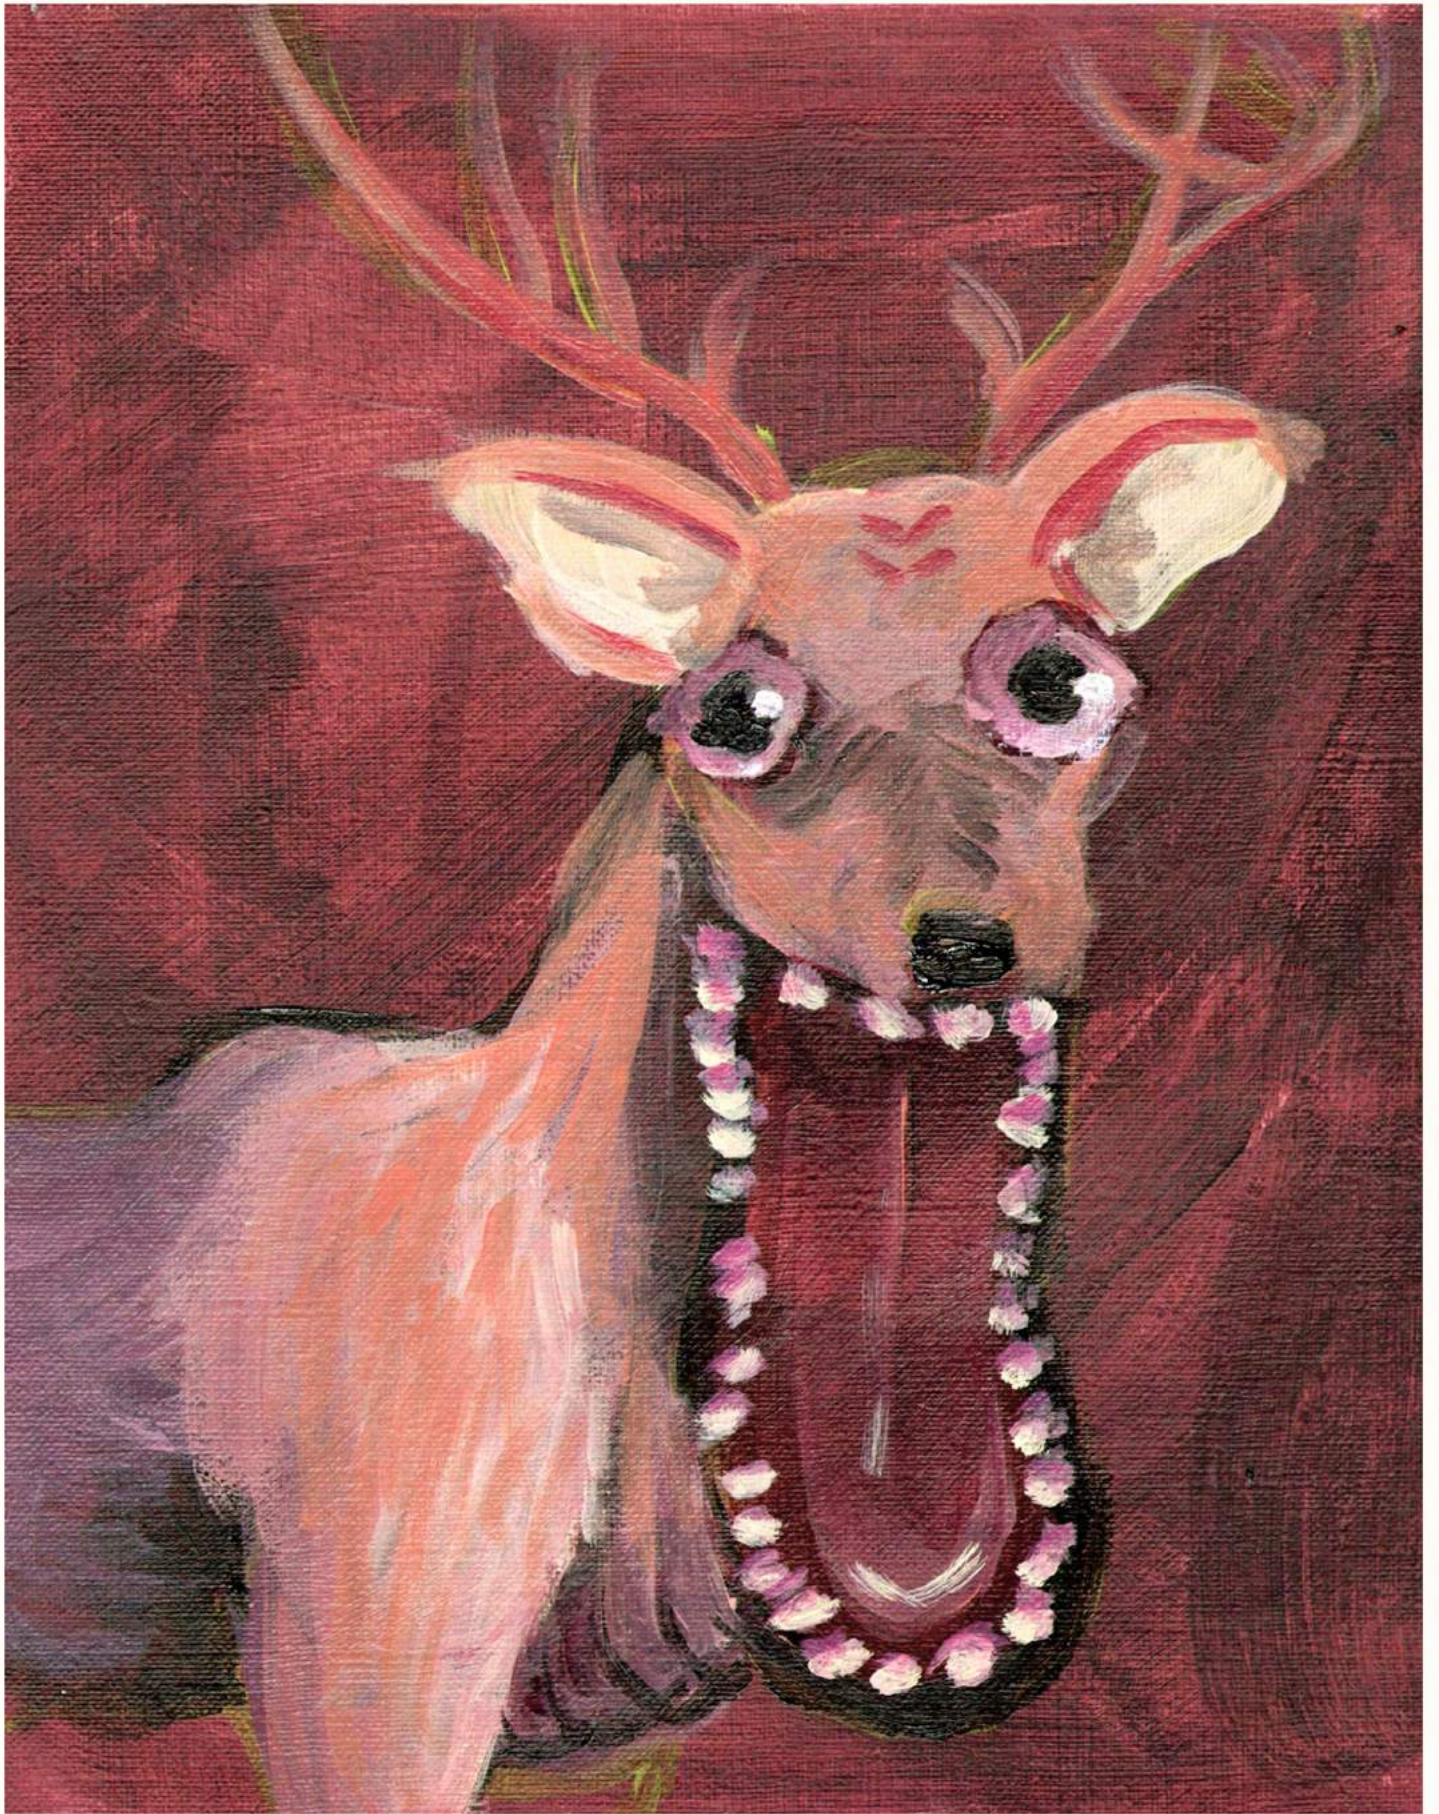

ABOUT ME!

My name is Kai Aguirre, and that picture there, is my dog, Peppa and I. I'm currently finishing up my BFA in Sequential Art along with a double minor in Storyboarding and Painting. Peppa is four years old and has been my hilarious (and smelly) best friend. When I'm not doing comics, I play Stardew Valley, read novels, watch horror movies, and do yoga. After a few years of creating, I want to become an art teacher and help young artist grow in their craft.

As you can see Peppa is my main inspiration! To get me through my college years, seeing Peppa's face and remembering her character made me happy; I wanted to share that same kind of happiness with my peers and my readers. I would love to bring comfort and a smile to my readers by creating a series that shares the predicaments and problems of Peppa, but while also reminding them they aren't alone.
