EXPERIENCE

Walley Films — Video Production Studio: 2010-Present

Since co-founding this highly acclaimed studio my roles have been Producer, Director, Video Editor, Art Director, and Publicist. As a Producer and Director I established long lasting partnerships creating contemporary art documentary series for Glasstire, Rice Gallery, Moody Center for the Arts, and San Antonio Museum of Art. As an Art Director and Video Editor I have collaborated with contemporary artists to realize their video artworks. My video clients have included Art21, Sesame Street, Artpace, and FotoFest.

Dreambored — Band: 2018-Present

I'm a songwriter, lyricist, singer and rhythm guitarist for the art pop band, Dreambored. Since the band's founding we have performed in over 40 live and taped concerts and released a studio-length album.

Tia Chuck: A Portrait of Chuck Ramirez — Feature Length Documentary Film: 2011-2018

I held the roles of Fundraiser, Producer, Co-Director, Video Editor, and Publicist for an award-winning documentary chronicling the life and work of the late conceptual artist and designer, Chuck Ramirez.
