Profile

Interior designer, artist and a people lover with four years experience in putting together designs, styles, colors and team work to create unique statements. Worldwide travel and diverse cultures are the roots of my design sensibilities and creativity. I graduated and completed my Masters in Textile design and Development from India and have had the opportunity to expand my knowledge of fabrics into apparel, art and interiors.

Experience

Principal, Kaur Competency LLC. San Antonio, Texas

2015 - present

Interior design consultancy in a wide range from Contemporary to classic Tuscan styles for residential homes, boutique offices and hotel. Presentations for interior layouts, fabric selections and home accents for clients. Customer service in fabric, color and furniture selections for interior and exteriors spaces. Custom designing and manufacturing of window treatments and their installations. Develop art works on commission basis to coordinate with interiors. Mediate retail marketing with vendors and clients. Provide innovative ideas for remodeling older homes and spaces. Shopping consultancy for interior design and decor. Clients include residential homes in San Antonio, Dallas, Maryland and Austin, St Anthonys Hotel in San Antonio, Chamoy Creative in San Antonio, Asset Essentials in San Antonio, Rajputana Sheraton in India, Palace on Wheels in India.

Principal, Baaniart, San Antonio, Texas 2016-present

Created commissioned artworks for Chapman University (LA), residential homes, boutique offices and hotels. Held art exhibitions in Seattle, New Jersey, LA, Washington DC, San Francisco.

Designer, John-William Interiors, San Antonio, Texas 2005-2007

Provided space planning and design development for residential homes. Promoted retail sales of furniture, furnishings and home accent. Provided house calls for space management and interior selections. Offered interior and exterior selections for residential and model homes. Developed interior designs and space plans for the Annual Parade of Homes. Provided customer service for selection of color schemes, fabrics and indoor and outdoor furniture. Planned and executed design development, presentation and installation of window treatments
