Radio Producing: <https://empowerhouseradio.podbean.com/>

Relevant Experience

Radio Producer, Empower House Radio – San Antonio, Texas

March 2023 – August 2024

- Established Empower House Radio as a community leading and collaborative community radio station producing and airing original programming.
- Created and produced the flagship series “Empower Hour” which highlighted local issues, community leaders and activists, the work other non-profit organizations as well as local artists, musicians and poets.
- Produced, interviewed and edited over 40 original shows, increasing monthly unique listeners from less than 200 to over 1,500 in over a year.
- Developed, coordinated and taught community workshops in journalism (including ethics), podcast production, creative audio storytelling and radio drama production.
- Cultivated and maintained collaborative partnerships with 14 new community organizations into our network.
- Developed, produced and recorded a monthly Open Mic night.

Youth Mentor – Journalism, KUOW: RadioActive Youth Radio – Seattle, Washington

July 2022 – August 2022

- I mentored 3 teens from Seattle Area high schools in pitching, researching and developing stories for radio which included journalism ethics, pre-interviews, finding unique angles or stories within a story.
- I oversaw the production of my 3 mentees production where they chose a person of interest, developed questions, interviewed them and edited the interview for broadcast.
-

Founder/Creative Producer, Moonbeast Arts – London, United Kingdom

August 2017 – July 2019

- Designed, developed and delivered original workshops and programming on behalf of other arts and culture institutions, media organizations, exhibition galleries and theatre companies (photography, filmmaking, podcasting, journalism, creative writing and self-publishing including playwriting and screenwriting, theatre production).
- Produced exhibitions, performances, screenings, and open mic nights which showcased the talents of artists from historically underrepresented or marginalized groups including those who identified as having a physical or mental disability.
- Worked with young artists (aged 17-25 years of age) from North and East London in developing their creative projects and working with venues for exhibitions.
- Moonbeast Arts was nominated as a finalist for the London Mayor's Entrepreneurship Awards in the creative category.

Education

MSc in Cinematography and Postproduction, University of Greenwich – London, UK
