my entire life and everyone told me  
I was special and so talented so I  
thought I could do this I could  
make movies and work on sets of  
some big time movies but ended up  
just staying here editing student  
films. And It's mostly Some real  
pretentious annoying shit if I may  
say so. Then a year ago things  
happened lots of things happened  
and I got scared. So I decided to  
lock my self in this apartment and  
now I guess I'm crazy and cause my  
plant, and my poster and a wrestler  
action figure are my therapist and  
trying to get me to open up and  
talk to a girl!

POSTER

Beat

OZZIE

Kurt was ugh the definition of a perfect big brother and was so damn cool. I remember when ever mom had to work and he would have to watch me he would just show me all of the coolest movies and we sit there and hang out and just watch movies for hours. Man Kurt was so cool we couldnt walk 10 feet anywhere without someone coming up and saying hi to him. and he was all fit to and healthy. To this day I never seen anyone run faster then him. And then just like that.

Snaps fingers

OZZIE (CONT'D)

He gets sick and starts getting worst and where am I here in my apartment trying to make stupid movies. And he tells me "no no I'm fine I'll be ok" and I listened and I stayed put and kept working. Then I get a call from my mom, and shes just balling and I cant make out the words she saying then finally she says "your brother is dying". So I leave I head to the hospital and I get there and I see him and he's connected to all these machines and it was like looking at superman dying.

Beat

OZZIE (CONT'D)

So of course he didnt get better and eventually passed away.

Beat

OZZIE (CONT'D)

And after the funeral everything just got louder and scarier and when I came back home I just didnt wanna leave again I feel like I cant go out there.

(MORE)

OZZIE (CONT'D)

I cant go outside I cant I cant do  
this with out him. I cant go out in  
to the world knowing he's not out  
there too.

PLANT

I'm sorry thats hard and Kurt  
sounds like a good big brother.

OZZIE

Thank you and he was.

THE HEARTBREAKER

Yeah. Too bad he be pretty  
dissapointed in you right now.

OZZIE

POSTER

Oh yeah for sure.

OZZIE

What the fuck are yall talking  
about!

POSTER

Your brother loved you correct?

OZZIE

POSTER

Well do you think your brother  
would want his little brother to be  
locked up in his apartment rotting  
away.

OZZIE

PLANT

He's right sweet heart you can't  
stay in here forever.

OZZIE

do it without him.

THE HEARTBREAKER
