Leslie Elizabeth Byles

Film Director & Creative Director/Editor

A visionary Creative Director, Screen writer and Filmmaker with over 3 years of experience in conceptualizing, producing, and executing high-impact visual storytelling across film and digital media. Skilled in directing and overseeing all phases of production, from pre-production to post-production, ensuring a seamless and engaging end product. Adept at leading creative teams, collaborating with clients, and pushing the boundaries of storytelling and visual innovation.

EXPERIENCE

2020 to 2025

Creative Direction & Film Projects

Freelance Creative Director | 2022 – Present

- Conceptualize and direct short films, branded content, and photoshoots in the entertainment and fashion industry.
- Lead creative teams through the entire production process, including writing, filming, and post-production editing.
- Deliver high-quality content that resonates with target audiences.
- Directed and edited short-form and long-form video content for digital distribution.
- Manage project budgets and timelines effectively
- Creates and collaborates concepts that translate a vision into compelling visual content.
- Collaborated with cross-functional teams to produce cohesive brand narratives and visuals for social media and web platforms.

Notable Projects:

- "Soulmates" (Cinematic Short 2023) – Directed and edited a cinematic short and photoshoot about soulmates to showcase the pure and raw connection/ feeling of love, featured by Arlette magazine (shot by Freddy the Photographer)
- Cinematic Brand Project for Coco Coquette (Creative Director & Model 2024) – Directed a high-profile ad campaign and storytelling photoshoot to showcase products (Shot by Ima Shoots)
- "Different Dimensions" (Cinematic Short 2024) – Directed a cinematic short showcasing the feeling of being stuck in the dream world (Shot by Noe Lozano)

EXPERIENCE

2020 to 2025

Creative Direction & Film Projects

Notable Projects:

- "Divine Feminine" (Cinematic Short 2023) – Directed and a cinematic short showcasing what it is like to be feminine and soft (Shot by Jenna Claire)
- "In the City" (Cinematic Short 2025) Encapsulating the feeling of the city at night and all the charm it has to offer (Shot By Dark Horse Photography)
- LAB Beauty Commercial Shoot (Commercial 2025) Helped and assisted with creative direction along with modeling for the brand
- "With the Flowers" (Cinematic Short 2024) Directed and came up with creative concept for cinematic visuals on growing flowers (Shot By Anthony Guajardo)
