Experience

Research Assistant

2023-2026

Trinity University

I worked as a research assistant to Dr. Garrison on his different academic projects regarding archeology. Some of the work included: scanning drawing reproductions of seals, working on a seal database, and formatting citations.

Camp Teacher

2024

Creator Camp, San Antonio

At Creator Camp I worked as a Lead Teacher for different weekly camp programs. The camp provided educational activities for kids aged 6-13. The mission of Creator Camp focused on teaching kids how to use technology in creative ways.

Mentor and Intern

2021-2023

SAYSÍ

Starting as a junior in high school, I became a mentor in the ALAS program. I continued working with middle school performing artists through my first two years of University. In the summer of 2023 I worked as a full-time intern in the visual arts programming, working with both high school and middle schoolers, under the supervision of artist Ashley Perez.

Art Restoration - Contractor
